*Dear Friends of the Pocono Lions Club,  
Thank you for your support of our 50/50 Cash Raffle*

Due to the Coronavirus Pandemic, all but one of this year's fund raisers are cancelled. The club usually raises over \$27,000 annually. Every penny of those funds is donated throughout the year to worthy individuals and organizations within our community. There are no administrative expense charges or cost to finance the operation of the club. All funds raised from the public are used for our charity work. This year the 50/50 cash raffle will be our primary fund raiser. You past support and donations made it possible for us to serve our community by participating in activities that benefit our residents and through donations to worthy causes. In spite of the loss of revenue we will fund all of our programs and support these local organizations. In this crisis our community needs our support more than ever. The loss of revenue will not prevent us from being there for those in need. **WE SERVE.** We are with you. We will aid the weak and right things wrong even in these difficult times.

*~ Thank You for Your Generosity ~*
